Dear Ms Riggs,

Re: Select Committee on Land Access – Support for GPSA submission

We take this opportunity to write to you with regard to the Grain Producers of South Australia (GPSA), submission to the Select Committee on Land Access.

Livestock SA has had an opportunity to review and have input into the GPSA submission prior to finalisation and we fulsomely concur with its contents and recommendations.

Without engaging in the tedious and pointless exercise of effectively repeating the observations and recommendations of the report we simply wish to indicate to the committee that the position of Livestock SA is the same as GPSA and that that we fully endorse the contents of the GPSA submission.

Furthermore, Livestock SA also endorses the National Farmers' Federation (NFF) submission to your committee in the same terms.

If required representatives from Livestock SA will be available to give evidence to the committee if it is desired by committee members.

If you have any questions regarding this matter, please don't hesitate to contact me.

Yours sincerely,

Andrew Curtis
CEO
