

Working with the season

Making proactive decisions to create an effective strategy for the coming months

WORKSHOP: 10 September 2018

1.30 pm to 5 pm

Keyneton Hall

Free BBQ to follow workshop

With soil moisture still low, fodder reserves difficult to find and forecasts for a short spring, this workshop will provide you with proactive decision making information to help you make the most of opportunities and manage the risk for the coming months.

Focusing on the livestock, the land, the business and the people.

Presenters include:

- Hamish Dickson, Agripartner Consulting- Feeding Sheep and Cattle
- Chris Scheid, ProAdvice- Strategies to Preserve the Livestock Business
- Julianne Fiebig, Rural Business Support- Opportunities to Support the Rural Business
- Speaker Panel- local producers who have developed and used livestock containment areas
